

# THE CD OF CARLSBAD ROCKS! BENEFITING MUSIC PROGRAMS IN CUSD

**WHAT IS THE CD OF CARLSBAD ROCKS!?:** *The CD of Carlsbad Rocks!* is a project that helps fund music programs for K-12 students within the Carlsbad Unified School District while also giving local rock musicians an opportunity to share their music.

**When you purchase a compilation CD for just \$10, 100% of your purchase goes to the Carlsbad Educational Foundation for music enrichment programs!**

This project is made possible through the many talented musicians who've donated their songs to Volume 1 of *The CD of Carlsbad Rocks!*, including Battle of the Band winners *Funky Kicks*, local reggae rock sensation *Stone Senses*, folk rock phenomenon *Trouble in the Wind*, ABC's *Men in Trees* theme song artist Michael Tiernan, Carlsbad Marathon performers *Renegade Local Band*, MSN TV's *The Next Great American Band* contestants *Light of Doom*, and more. Volume 1 is a professionally mastered mix of music including rock, funk, reggae, soul, folk, ska, metal and acoustic guitar. **Get your CDs today and support local music!**

**WHAT'S NEXT:** Vol. 2 is now in the works! **Anyone reading this flyer is encouraged to spread the word** to local talent willing to contribute their songs to this project.
