Students not attending a Carlsbad school during the 2008-09 school year must provide proof of immunization. This may be done by either attaching a copy of **proof of immunization** or attaching a note indicating that proof is on file at a specific school along with the school's phone number or address. **CLASS CANCELLATION:**

We do our best to accommodate all students who sign up for the summer enrichment programs. To keep fees as low as possible, a minimum enrollment for each class is set to cover expenses. If the minimum enrollment is not met, a class may be cancelled. Courses may need to be changed to a different time if a class does not fill to minimum enrollment or an instructor conflict arises around scheduling. If these occur, you will be contacted and you will have the opportunity to sign up for an open class or receive a full refund.

**AGE RANGES:**

To develop classes suitable for a particular age and academic range, we specify ages in the class description. When enrollments are large enough, students may be grouped into smaller age-ranges to better facilitate learning.
