

Summer  
Academy  
Handbook  
2019

Registration Site: [www.CEFAcademy.org](http://www.CEFAcademy.org)  
General Info: [www.CarlsbadEd.org](http://www.CarlsbadEd.org)  
(760) 929-1555

### **Vision Statement**

Investing in Our Children's Future through  
Excellence in Education

### **Mission Statement**

To provide increased educational opportunities for all students in the Carlsbad Unified School District by developing and funding impactful programs.

As part of our current strategic plan, the Foundation focuses its grant-making in the areas of hands-on science, district-wide music and educational innovation.

### **The Carlsbad Educational Foundation Supports Student Learning**

The Carlsbad Educational Foundation (CEF) is a 501(c)(3) non-profit organization that provides private support for public education programs throughout the Carlsbad Unified School District (CUSD). Since its founding in 1983, CEF has invested over \$6 million in programs for CUSD students. CEF is the only organization in Carlsbad that raises district-wide support for every school and student in the elementary, middle, and high schools.

### **The Carlsbad Educational Foundation Summer Academy**

The Carlsbad Educational Foundation offers the 2019 Summer Academy classes for students entering grades 8 through 12. The Carlsbad Educational Foundation has made a concerted effort to coordinate the summer program to best serve the middle and high school students in all local school districts and private schools. The Summer Academy program offers a variety of WASC accredited courses for advancement credit. Please note, however, that this program is not designed or available for remediation coursework.

### **Notice of Non-Discriminatory Policy**

The Summer Academy admits students of any race, color, creed, national, and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students in summer school. Summer Academy does not discriminate on the basis of race, color, creed, national, and ethnic origin in administration of its educational policies.

## Dates and Times

### Full Year Classes - 10 Credits (6 weeks, 14 days on campus, 10 days online)

Monday, June 17<sup>th</sup> through Thursday, July 25<sup>th</sup>

8:00 a.m. – 1:20 p.m.

Meet on Campus Monday through Thursday for the first week

Work online Mondays and Wednesdays

Meet on Campus Tuesdays and Thursdays (*\*with the exception of Wednesday, July 3*)

### Semester Classes - 5 Credits (3 weeks)

#### *Session A*

Monday, June 17<sup>th</sup> – Wednesday, July 3<sup>rd</sup>

8:00 a.m. – 1:20 p.m.

Meet on Campus Monday through Thursday for the first week

Work online Mondays and Wednesdays

Meet on Campus Tuesdays and Thursdays (*\*with the exception of Wednesday, July 3*)

#### *Session B*

Monday, July 8<sup>th</sup> through Thursday, July 25<sup>th</sup>

8:00 a.m. – 1:20 p.m.

Work online Mondays and Wednesdays

Meet on Campus Tuesdays and Thursdays

Session A	<b>June</b>						
	Sun	M	Tu	W	Th	F	Sat
	16	17*	18*	19*	20*	21	22
	23	24	25*	26	27*	28	29
<b>July</b>							
	30	1	2*	3*	4	5	6
Session B	7	8	9*	10	11*	12	13
	14	15	16*	17	18*	19	20
	21	22	23*	24***	25*	26	27

\*Students meet on campus for classes on these dates.

\*\*\*PE Make Up Day

## Tuition

10 credit course: \$645 (\$595 before May 10)

5 credit course: \$325 (\$300 before May 10)

## Summer Program Registration

Register online at [www.CEFAcademy.org](http://www.CEFAcademy.org)

Early Bird Deadline: May 10, 2019 at 12 midnight (\$50 discount)

Deadline: June 10, 2019 at 12 midnight

Students register based on the grade level they will be entering in the fall of 2019.

All payments are due in full at the time of registration.

VISA, MasterCard, Discover and AMEX are accepted online.

If you are unable to register online, make checks/money orders payable to Carlsbad

Educational Foundation and mail to:

Carlsbad Educational Foundation

5631 Palmer Way, Suite L

Carlsbad, CA 92010

### **General Information**

*Courses for advancement:* The Summer Academy is for course advancement and is not for remediation, grade improvement, or credit recovery. Credit courses taken through the Summer Academy meet graduation requirements at Carlsbad High Schools and NCAA eligibility.

*Non-CUSD students:* Students attending schools outside the Carlsbad Unified School District are invited and welcome to register for the Summer Academy. Students should check with their current school counselor to be sure the course they are interested in taking meets their school's graduation requirements. Students outside the district also need to include immunization records with their registration. Students' home school will be contacted to ensure that non-CUSD students are taking the course for the first time for course credit advancement.

As the Summer Academy is approved as a Supplemental WASC, the a-g eligibility is approved by your home school principal. The Carlsbad Educational Foundation Summer Academy works closely with the Carlsbad Unified School District and Carlsbad High Schools to assure that the summer courses offered match the curriculum, texts, hours of instruction, and assessment of the regular school year "a-g" courses. To get more information, click on the link below and scroll to "principal certification" and "supplemental learning center" to get more information. The Summer Academy is not an online school, so the statement at the bottom of the document does not apply.

<http://ucop.edu/agguide/get-help/options/index.html>

*Middle School Students:* per Carlsbad Unified School District Board Policy 6146.12, middle school students may enroll in high school level classes in both world language and mathematics as part of their middle school coursework. Students at the middle school level may enroll in either one or two years of world language, depending upon which is offered at the specific school site. The course of study taken at the middle school is comparable to those same courses which are taken at the high school level; therefore, courses in languages other than English taken in the seventh and eighth grade fulfill the world language requirement for the University of California and California State University systems. Middle school mathematics courses (Algebra and above) may also fulfill a portion of the mathematics requirement for the University of California and California State University.

Beginning with the Class of 2017, courses in languages other than English taken in the seventh and eighth grade will also fulfill Carlsbad Unified School District's world language

requirement. Students, while not required, are highly encouraged to continue their world language sequence at the high school level.

No high school credit will be granted for these courses taken in middle school; however, the course and grade may be entered on the high school transcript. Under no circumstance will the grade be calculated into the high school GPA.

*Prerequisites:* Students are responsible for ensuring that the prerequisites have been met before registering for a class. Students may not register for a course for which prerequisites required by their school have not been met. Summer Academy may require students to submit a copy of their transcripts showing verification that they have met the prerequisite as stated in the course descriptions.

*Priority registration:* Registration is on a first-come, first-served enrollment basis. The Summer Academy will hire the teaching staff based on Summer Academy enrollment. At times, the demand for a particular class may be greater than the number of seats available. Summer Academy will make every effort to provide additional classes if early registration enrollment indicates a need, and facilities and qualified teachers are available. Unfortunately, classes that do not meet minimum enrollment requirements of 5 students may be cancelled by Summer Academy.

*Students with special needs:* Reasonable accommodations will be made for students with special needs on a case-by-case basis.

*Assessments and reporting:* Students will have both formative and summative assessments to determine academic progress. Parents will be notified of students who slip below a C average and all efforts will be made to raise the grade. Final report cards will be mailed home for all credit courses two to three weeks after the end of the Summer Academy program.

*PE State Fitness Assessment:* The State of California physical fitness test is a requirement and cannot be administered in the summer. All students must take the State of California physical fitness test during the State spring testing time frame. Stay in touch with your home high school to register and take the test to meet the requirement.

*Transcripts:* All incoming 9-12th grade CUSD students taking credit courses will have their summer course grades posted on their high school transcripts. If any adjustments need to be made to their fall schedules, it is the student's responsibility to contact a high school counselor. For those students who do not currently attend Carlsbad schools, an official report card will be mailed to their home addresses. Students may also request an official transcript by contacting the Carlsbad Educational Foundation offices at (760) 929-1555. Please allow at least 3 weeks after the completion of the Summer Academy before requesting a transcript.

*Final exams:* Due to the compressed nature of the classes, a final summative assessment is required. Each teacher will determine when his or her final exam is given or when a final

project is due. Absences during the final two days of school may impact the final grade or attendance requirement.

*Withdrawal deadline:* Once class has begun, students may withdraw with no transcript consequences from a course until 2:00 p.m. on Monday, June 24<sup>th</sup> by completing the Drop Request form. Students who choose to withdraw from a course after the 5th day deadline, but before the final exam or the last day of class, whichever is earlier, will receive a “W” on their transcript indicating a withdrawal from the class.

A *Drop Request Form* must be processed for all dropped classes. This form can be obtained at the Carlsbad Educational Foundation Summer Academy office.

- The parent or guardian, student, and teacher must all sign the form.
- Textbook clearance must be obtained by the library staff, if indicated by the teacher.
- Final approval for dropping a Summer Academy class will be given by the Carlsbad Educational Foundation Summer Academy office.
- Please note that refunds will be given according to our stated refund policy below.

*Refunds:* The Carlsbad Educational Foundation refund policy is applied uniformly.

- All refund requests must be in writing and can be mailed, faxed, hand delivered, or emailed to the Carlsbad Educational Foundation Summer Academy office.
- The following is a list of tuition refunds for the Summer Academy classes:
  - Prior to May 18 - Full refund minus a \$25 processing fee
  - May 18-June 2 - 50% refund minus a \$25 processing fee
  - June 3 or after - No refund
  - If a course is cancelled by the Carlsbad Educational Foundation, a full refund of tuition with no processing fee will be issued.

*Schedule change:* Any change of schedule will incur a \$25 processing fee. If a course is cancelled by Summer Academy, a change of schedule will be free.

### **Policies**

*Immunization records:* Students NOT currently attending a Carlsbad Unified School must provide written proof of their immunization record. The immunization record must include DPT, Polio, MMR, TB, Hepatitis B, and Chicken Pox immunizations and be up-to-date.

*Identification:* Students must carry a school ID with them at all times. Entering ninth graders must carry their middle school ID. Students who are not registered in Summer Academy are not allowed on campus at any time.

*Attendance:* A typical summer school day is roughly equivalent to one week of school during the normal school year. It is expected that students will attend all classes on campus and be on time at the beginning of class and return after any class breaks. All students are expected to complete online assignments by the due date. There are no “excused absences”

during Summer Academy. Regardless of the reason for the absence, any student who exceeds the allowable number of absences (see below) for the course will be dropped from the class and will not receive course credit. In addition, students must still follow the Drop Request Form Procedure to avoid failing the class. Refunds will not be given for unused days whether it is due to dropping the course, vacation, special events, short-term illnesses, or other personal commitments requiring an absence from class. Parents or guardians will be notified if a student has been dropped from a class. **More than 3 absences in a 10 credit course or 1.5 absences (8 hours) in a 5 credit course will result in the student being dropped from the course. No exceptions will be made.**

*Tardies:* A tardy is recorded from the time the class starts or returns from break until 15 minutes have passed. After 15 minutes, the tardy is considered an absence. Three tardies (less than 15 minutes each) will equal one absence; however, students are still encouraged to be in class, even if they are marked late. Rules regarding absences and tardies will be strictly enforced.

*Absences:* Please call (760) 331-5100 to inform the Summer Academy administrative assistant at Carlsbad High School if you will be absent.

*Closed campus:* Students must stay on campus, including during break time, for the length of the school day. Food will be available for purchase on campus during the break.

*Student Behavior:* A student's misconduct will not be tolerated in or out of the high school classroom or any P.E. location. Summer Academy follows the CUSD policies and procedures of the CUSD High School Parent / Student Handbook, which can be found at: [https://carlsbadhs.schoolloop.com/cms/page\\_view?d=x&piid=&vpid=1444985257778](https://carlsbadhs.schoolloop.com/cms/page_view?d=x&piid=&vpid=1444985257778) or on the CUSD website for students and parents to review prior to the start of school. Copies can also be obtained in the Carlsbad Educational Foundation Summer Academy office.

*Safety:* The school gates will be locked after school starts. Visitors must enter the school office and sign in to get a name badge.

*Misconduct consequences:* When a violation of a school rule occurs, students may be given a warning for a first offense. Serious violations will result in the student being immediately suspended or dismissed from all summer school programs. All decisions requiring corrective action for a student's misconduct will be reviewed by the summer school principal. Parents or guardians will be notified immediately when there is a violation and corrective action is taken. Continued or flagrant violation of the school rules may result in the student being suspended or dismissed from all Summer Academy programs.

*Academic honesty:* Student cheating, copying, or cutting and pasting from the internet are considered dishonest and will not be tolerated. Students caught with dishonest academic behavior will face withdrawal from the Summer Academy program.

*Summer Academy scholarship funds:* The Summer Academy has limited scholarship funds available for income-eligible families. Please call (760) 929-1555 or see your school counselor for more information or to receive a financial aid form.

## High School Summer Academy 2019 Course Descriptions

### MATH

**Course Title: Math 8**

Credits:	10	UC Approved:	Not Applicable
Weeks:	6 weeks	Type of Credit:	Math
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	080819
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: This course will include: (1) formulating and reasoning about expressions and equations, including modeling an association in bivariate data with a linear equation, and solving linear equations and systems of linear equations; (2) grasping the concept of a function and using functions to describe quantitative relationships; (3) analyzing two- and three-dimensional space and figures using distance, angle, similarity, and congruence, and understanding and applying the Pythagorean Theorem. Successful completion of this course enables rising 8th grade students to take Algebra in grade 8.

**Course Title: Algebra 1**

Credits:	10	UC Approved:	Yes, "c" requirement
Weeks:	6 weeks	Type of Credit:	Math
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	121319
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: Algebra 1 is the first course of a four-year sequence for those students who plan to attend college. Students will meet challenging course standards through varied learning experiences designed to develop their computational skills and conceptual understanding of

mathematics. Students will also acquire skills in problem solving, mathematical reasoning, and mathematical communication. Technology skills will be emphasized throughout the course. Algebra 1 is designed to help gain mastery of linear, exponential, and quadratic functions. Expect constant growth throughout the year.

New to Common Core is the addition of the 8 Mathematical Practices:

- 1) Make sense of problems and persevere in solving them.
- 2) Reason abstractly and quantitatively.
- 3) Construct viable arguments and critique the reasoning of others.
- 4) Model with mathematics.
- 5) Use appropriate tools strategically.
- 6) Attend to precision.
- 7) Look for and make use of structure.
- 8) Look for and express regularity in repeated reasoning.

**Course Title: Geometry**

Credits:	10	UC Approved:	Yes, “c” requirement
Weeks:	6 weeks	Type of Credit:	Math
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	121519
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: Grade of “C” or better in Algebra I

Course Description: This course develops geometry skills and concepts useful to all students. Students will develop their ability to construct formal, logical arguments and proofs in geometric settings and problems. This course includes congruence and similarity; the Pythagorean Theorem; basic constructions; coordinate geometry; properties of angles, parallel and perpendicular lines, triangles, special right triangles, quadrilaterals, and circles; basic trigonometric functions; and perimeter, circumference area, volume, lateral area, and surface area of common geometric figures.

**Course Title: Honors Geometry**

Credits:	10	UC Approved:	Yes, “c” requirement
Weeks:	6 weeks	Type of Credit:	Math
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	122119
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: Grade of “C” or better in Algebra I

Course Description: Honors level math courses are geared towards students who intend to pursue a career in science, technology, engineering, or math. For this course, students need to be strong in their mathematical and spatial reasoning skills and must be highly interested and motivated to learn

at an accelerated pace. All of the topics of Geometry are covered but in greater depth and complexity.

**Course Title: Algebra 2**

Credits:	10	UC Approved:	Yes, "c" requirement
Weeks:	6 weeks	Type of Credit:	Math
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	121419
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: Grade of "C" or better in Algebra I or Algebra I Honors and Geometry or Geo/Trig Honors

Course Description: Algebra 2 students should have a firm grasp of Algebra 1 and Geometry concepts. Topics include absolute value equations and inequalities, exponential and logarithmic functions, systems of equations and inequalities with 3 or more variables, complex numbers, conic sections, sequences and series, probability, statistics, and higher degree polynomials.

**Course Title: College Algebra**

Credits:	10	UC Approved:	Yes, "c" requirement
Weeks:	6 weeks	Type of Credit:	Math
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	124619
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: Grade of "C" or better in Algebra 2

Course Description: This discipline complements and expands the mathematical content and concepts of Geometry and Algebra 2. Students will gain experience with algebraic solutions of problems in various content areas, including the solution of systems of quadratic equations, logarithmic, and exponential functions, the binomial theorem, and the complex number system. This course is designed to prepare students for further pursuit of college preparatory mathematics as well as to develop student's ability to apply deductive reasoning in problem solving situations and to better understand the standards.

## SCIENCE

### Course Title: **Biology 1**

Credits:	10	UC Approved:	Yes, "d" requirement
Weeks:	6 weeks	Type of Credit:	Science
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	141619
Tuition	\$645 + \$50 Lab Fee	Time:	8:00AM-1:20PM

Prerequisites: None

Course description: A challenging college preparatory lab science. Covers cell structure, energy use, cellular transport, cell division, evolution, select human body systems, genetics, and ecology.

### Course Title: **Physics 1**

Credits:	10	UC Approved:	Yes, "d" requirement
Weeks:	6 weeks	Type of Credit:	Science
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	141919
Tuition	\$645 + \$50 Lab Fee	Time:	8:00AM-1:20PM

Prerequisites: "C" or better in Biology 1, Algebra 1

Course description: A challenging college preparatory lab science. This course covers scientific measurement, motion, conservation laws, energy transfer, electricity, heat, light, sound, and magnetism.

### Course Title: **Chemistry 1**

Credits:	10	UC Approved:	Yes, "d" or "g" requirement
Weeks:	6 weeks	Type of Credit:	Science
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	141719
Tuition	\$645 + \$50 Lab Fee	Time:	8:00AM-1:20PM

Prerequisites: "C" or better in Biology 1

Course description: A challenging college preparatory lab science. This introductory course covers atomic theory, periodicity, chemical bonding, the mole concept and stoichiometry, conservation laws, kinetic molecular theory (nature and phases of matter), energetics, kinetics and reaction rates, equilibrium, acid-base behavior, oxidation.

## SOCIAL SCIENCE

**Course Title: World History and Culture**

Credits:	10	UC Approved:	Yes, "a" requirement
Weeks:	6 weeks	Type of Credit:	Social science
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	151119
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: This course provides an overview of the history of human society from early civilization to the contemporary period, examining political, economic, social, religious, military, scientific, and cultural developments. Students study cultures of the western and nonwestern world. The course integrates geography with history and cultural studies.

**Course Title: U.S. History**

Credits:	10	UC Approved:	Yes, "a" requirement
Weeks:	6 weeks	Type of Credit:	Social science
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	151319
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: This course focuses on the examination of major turning points in American history in the twentieth century. The course emphasizes specific themes, such as the expanding role of the federal government and federal courts; the continuing tension between the individual and the state and between minority rights and majority power; the emergence of a modern corporate economy; the impact of technology on American society and culture; change in the ethnic composition of American society; the movements toward equal rights for racial minorities and women; and the role of the United States as a major world power.

**Course Title: U.S. Government**

Credits:	5	UC Approved:	Yes, "a" requirement
Weeks:	3 weeks	Type of Credit:	Elective
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 6	Course #:	151619A
Tuition	\$325	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: Economic and Government courses will introduce students to the significant philosophical foundations and practical elements of the U.S. economy and political and legal systems. These foundations are necessary building blocks to help prepare students for the world after graduation.

**Course Title: Economics**

Credits:	5	UC Approved:	Yes, "g" requirement
Weeks:	3 weeks	Type of Credit:	Elective
Start Date	July 9	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	151719B
Tuition	\$325	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: Economics and Government courses will introduce students to the significant philosophical foundations and practical elements of the U.S. economy and political and legal systems. These foundations are necessary building blocks to help prepare students for the world after graduation.

**WORLD LANGUAGES**

**Course Title: American Sign Language 1**

Credits:	10	UC Approved:	Yes, "e" requirement
Weeks:	6 weeks	Type of Credit:	World Language
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	106119
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: Students learn basic conversation skills, grammar, and vocabulary through expressive and receptive practice in the target language, American Sign Language (ASL). Deaf culture is introduced.

**Course Title: American Sign Language 2**

Credits:	10	UC Approved:	Yes, “e” requirement
Weeks:	6 weeks	Type of Credit:	World Language
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	106219
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite :“C” or better in American Sign Language 1

Course Description: Students review and continue to develop conversational skills, basic grammar, and vocabulary through expressive and receptive practice in the target language, American Sign Language (ASL). Emphasis is given in developing understanding of the communication process through the study of culture, history, art, and literature of the Deaf Community.

**Course Title: American Sign Language 3**

Credits:	10	UC Approved:	Yes, “e” requirement
Weeks:	6 weeks	Type of Credit:	World Language
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	106319
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite :“C” or better in American Sign Language 2

Course Description: Students continue to develop an understanding of Deaf culture and ASL. Class is conducted in the target language to prepare students for ASL 4. Students continue vocabulary building, developing advanced grammar concepts, and acquiring complex expressive skills. Emphasis is given to fluency of expression through class discussions and expressive assignments, and developing knowledge of grammar and syntax.

**Course Title: American Sign Language 4**

Credits:	10	UC Approved:	Yes, “e” requirement
Weeks:	6 weeks	Type of Credit:	World Language
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	106419
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: “B” or better in American Sign Language 3

Course Description: Students continue to refine expressive and receptive skills and perfect grammar concepts. This course introduces interpreting, continues a higher analysis of Deaf literature, and broadens the student’s understanding of Deaf culture. The course will foster interest in post-high-school opportunities related the field of ASL, both educational and career.).

**Course Title: Spanish 1**

Credits:	10	UC Approved:	Yes, "e" requirement
Weeks:	6 weeks	Type of Credit:	World Language
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	103119
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: This introductory Spanish language & culture course is designed for students who have never taken a Spanish course before. Basic Spanish grammar, vocabulary, pronunciation, & oral comprehension skills are taught through continuous listening, speaking, reading & writing activities. Basic communication skills are developed.

**Course Title: Spanish 2**

Credits:	10	UC Approved:	Yes, "e" requirement
Weeks:	6 weeks	Type of Credit:	World Language
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	103219
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: "C" or better in Spanish 1

Course Description: Students review and continue learning basic grammar structures and vocabulary. Listening, reading, writing, and speaking skills are advanced through practice in the target language. Knowledge and appreciation of Hispanic culture continues to develop.

**Course Title: Spanish 3**

Credits:	10	UC Approved:	Yes, "e" requirement
Weeks:	6 weeks	Type of Credit:	World Language
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	103319
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: "C" or better in Spanish 2

Course Description: Students review basic grammar structures and vocabulary. In this course they begin to learn advanced grammar concepts. Listening, reading, writing, and speaking skills are advanced through practice in the target language. Student builds vocabulary and greater fluency in conversation. Understanding of culture is emphasized through literature, music, and art.

**Course Title: Spanish 4**

Credits:	10	UC Approved:	Yes, "e" requirement
Weeks:	6 weeks	Type of Credit:	World Language
Start Date	June 17	Days of Week:	Mon-Thurs
End Date	July 25	Course #:	103719
Tuition	\$645	Time:	8:00AM-1:20PM

Prerequisite: "C" or better in Spanish 3

This course prepares students for the Advanced Placement Spanish Language Examination. Students qualifying for this class have acquired skills in grammar and speaking, writing, reading, and understanding Spanish. This course is designed to refine, perfect, and enhance these skills as well as to broaden the student's understanding of Hispanic culture and foster interest in continuing to study Spanish in college.

### PHYSICAL EDUCATION

#### Course Title: P. E. 1

Credits:	5 or 10	UC Approved:	No
Weeks:	Session A, B	Type of Credit:	Elective
Session A	June 17-July 3	Days of Week:	Mon-Thurs
Session B	July 8-July 25	Course #:	131019A, 131019B
Tuition	\$325 or \$645	Time:	8:00AM-1:20PM

Prerequisite: None

Course Description: Physical Education is the study and practice of the art and science of human movement. Physical Education can effectively help students achieve important fitness goals through class work that increases understanding of fitness principles and through laboratory and fieldwork that provides practice in developmental physical activities such as aerobics. The field also includes the study and practice of motor skills, social interaction skills and the development of self-esteem and health. The State of California Physical Fitness Exam is not administered in this class. Students need to register for this exam at their home schools and take it during the spring testing window according to state schedules.

#### Course Title: P. E. 2

Credits:	5 or 10	UC Approved:	No
Weeks:	Session A, B	Type of Credit:	Elective
Session A	June 17-July 3	Days of Week:	Mon-Thurs
Session B	July 9-July 25	Course #:	131219A, 131219B
Tuition	\$325 or \$645	Time:	8:00AM-1:20PM

Prerequisite: Grades 10-12

Course Description: PE 2 will be a mirror of PE 1 for students 10-12. This class is designed for

students to prepare for the fitness tests, improve their level of fitness, and learn all of the skills, drills, and rules of all team sports. Lap charts, skills assessments, and fitness testing will be the basis for this class.
